

PORSCHE

Porsche Protection Plan.

ELECTRIC VEHICLE SERVICE PROTECTION.

Extend your EV coverage, effortlessly.

Electric Vehicle (EV) Protection.

Travel with peace of mind in the EV age. Offering roadside assistance and covering up to 1,500 mechanical and electrical parts, Porsche Electric Vehicle Service Protection is designed to complement your original factory warranty with the right coverage to help keep your EV on the road. Pay only the deductible you select—nothing more—on covered repairs for up to 10 years or 100,000 miles.¹

Service you can trust. Parts you can count on.

You will receive genuine Porsche parts² and superior service designed specifically for your vehicle.

- Nationwide service available at all participating authorized Porsche Centers or other authorized licensed repair facilities.
- 24-hour roadside assistance with enhanced roadside benefits.
- Reimbursement of up to \$250 for towing to the nearest authorized Porsche Center or licensed repair facility, or to the nearest compatible charging station.

- Rental car reimbursement of up to \$50 per day for up to 10 days, if required.³
- Trip interruption coverage of up to \$200 per day for a maximum of five (5) days for a total benefit of \$1,000 per occurrence, if required.⁴
- Deductible options of either \$100 or \$250 per claim are available. If the \$100 deductible is chosen, the deductible will be waived if repairs are performed at the authorized selling/leasing Porsche Center.
- Transferable for a fee if you sell your vehicle to a private party or if a private party assumes your lease agreement.⁵
- Cancelable at any time. After 30 days or after filing of a claim, subject to a fee.⁶

EV coverage that goes the distance.

Designed specifically for your Porsche Electric Vehicle, the Platinum Protection plan covers all mechanical parts of your vehicle unless specifically listed in the exclusions section of your Agreement.⁷

Component Group	Platinum
Electrical Drivetrain Components	▪
Transmission	▪
Drive Axle	▪
Seals and Gaskets	▪
Climate Control	▪
Shocks	▪
Suspension	▪
Electrical System	▪
Steering	▪
Brakes	▪
Navigation	▪
Audio/High-Tech	▪

Covered components:⁷

Electric Vehicle Service Protection also provides coverage for the service of major components, and an extensive range of genuine Porsche parts.

Powertrain, Transmission, Drive Axle

Including Electrical Drivetrain Components.

Climate Control

Including air conditioning and heater components.

Shocks, Front and Rear Suspension

Including suspension bushings and bearings.

Steering and Brakes

Including power steering and Anti-lock Brake System (ABS) components.

Electrical Systems

Including sensors, power windows and seats.

Navigation, Audio, High-Tech

Including navigation display, Bluetooth[®], and entertainment screens.

Coverage exclusions may apply:⁷

- Mechanical breakdowns covered by your vehicle's manufacturer's warranty.
- Mechanical breakdowns caused by accident, collision, vandalism, or weather-related conditions.
- Mechanical breakdowns caused by lack of recommended maintenance or preexisting conditions.
- Repair or replacement of hybrid batteries, electric batteries, and battery cables.

Available on new, pre-owned, and Porsche-approved Certified Pre-Owned EV Porsche vehicles at the time of vehicle purchase or lease. Also available after vehicle purchase or lease if the vehicle is still covered under the manufacturer's new vehicle limited warranty.

1 Electric Vehicle Service Protection coverage runs concurrently with any applicable manufacturer's warranties. Plan expiration is measured in time/miles from the original in-service date. Term ends upon expiration of either time or mileage, whichever comes first.

2 Any necessary replacements will be made using new, genuine OEM parts, remanufactured, or like-kind and quality parts, where available and at the plan administrator's discretion.

3 Due to a covered mechanical breakdown. Rental car reimbursement does not include fuel, collision damage waivers, and optional insurance charges.

4 Due to a covered mechanical breakdown. Trip Interruption coverage is not available to residents of California or New York.

5 Agreement is transferable within 30 days of the covered vehicle's resale or lease assumption. Please see your Agreement for complete transfer rules, including state-specific transfer rules.

6 Please see your Agreement for complete cancellation rules, including state-specific cancellation rules.

7 Additional exclusions may apply. Please see your Agreement for specific coverage details, including limitations and a complete list of exclusions.

Porsche Protection Plan Electric Vehicle Service Protection is optional and is not insurance. All transactions related to optional Electric Vehicle Service Protection are governed solely by the provisions of the Electric Vehicle Service Protection Vehicle Service Contract ("Agreement"). This document and its contents provide general information about Electric Vehicle Service Protection and should not be solely relied upon when purchasing coverage. Please refer to the Agreement for details of terms, conditions, and specific coverage details, including limitations, exclusions, transferability, and cancelability. Coverage may vary by state. Not all vehicle models may be eligible for coverage. Please see your authorized Porsche dealer for more information. This product is not required for you to obtain financing for the purchase or lease of a vehicle.

The Administrator/Obligor of the Electric Vehicle Service Protection product included in the Porsche Protection Plan is Safe-Guard Products International, LLC, Two Concourse Parkway, Suite 500, Atlanta, GA 30328, 1-844-881-4774, except in Oklahoma where the Obligor is Safe-Guard Warranty Corporation, and in Washington where the Obligor is National Product Care Company, 175 W. Jackson Blvd., Chicago, IL 60604.
