Participant Information

Your Driving Experience

Porsche Driving Experiences are designed to explore a particular model, driving techniques and driving environments. Whether you are looking to attain new skills, hone some existing ones or simply have a great time driving, we can help design the right experience for you.

You will have the opportunity to discuss the features of your chosen Porsche with your Porsche Driving Consultant prior to your driving experience. Your Driving Consultant will also be keen to understand what you would like to achieve during your time with us. They will accompany you through a series of activities which are aimed at highlighting the vehicle's technical features whilst providing you with an in-depth understanding of how they work.

Your experience is intended to be bespoke to you and, using their driving appreciation and technical understanding of Porsche cars, your Driving Consultant will also ensure that the activities are most relevant to your driving requirements and experience.

You will have the opportunity to develop techniques to explore the car's acceleration, high and low speed handling and braking performance, as well as gaining an appreciation of engine torque, power characteristics and how to get the most from the transmission.

One of the key objectives of the day is to ensure you reach your full potential in the vehicle safely. With this in mind, we ask that you adhere to the advice and instruction given by your Porsche Driving Consultant at all time.

Cancellation

Please ensure that you arrive promptly for the start of your session to ensure that you are able to take full advantage of the driving time available. Unfortunately, sessions starting late cannot be extended. Please refer to your confirmation email for details regarding our Cancellation Policy.

Guests

Whilst this experience is designed exclusively for you, you may wish to bring a guest with you. We will be pleased to welcome one spectating guest to join you free of charge. Please note any additional guests will be charged accordingly. Please be aware that children under 16 must be supervised by an adult at all times. You can register your guest in advance by calling the Porsche Driving Experience team on 01327 855911

The Porsche Experience Centre has free wireless internet access.

Your Vehicle

If you are participating in your own vehicle, please ensure your vehicle is insured, holds a valid MOT and is in a roadworthy condition. Please pay particular attention to the tyre tread depth, that your windscreen is clean and crack free and that all external lights are operational.

Insurance requirements

Our insurance requirements should have been explained to you during the booking process. As a reminder, participants will be required to meet the criteria below.

- Participants must hold a full, valid Driving Licence to drive a car upon public highways in the UK.
- To be eligible to drive any of the Turbo models, you must be aged 21 or over.
- To be eligible to drive any of the GT models, you must be aged 25 or over.
- Drivers over the age of 80 should contact the team to discuss possible arrangements.
- You must be medically fit and not have any medical conditions which will affect your ability to drive.

The PorscheTracks

The Straights

A safe and controlled environment to fully explore how a Porsche accelerates and stops. It also offers an exciting opportunity to explore various Porsche systems including Launch Control, Porsche Ceramic Composite Brakes and Lane Change Assist.

Low Friction

Specially formulated tarmac creating an ideal environment where oversteer slides can be provoked, corrected and held.

Kick Plate

A moveable metal plate set flush with the road surface designed to be triggered remotely as a car travels over it, thereby generating the effect of a loss of rear wheel traction.

Handling Circuit

Designed to replicate a challenging country road, with varying cambers and blind corners.

Ice Hill

Simulating sheet ice with computer-controlled water jets, this area allows drivers to explore general car control and handling characteristics.

Off-Road

With 45% declines and ascents, rough terrain and unfeasible side slopes designed to challenge even the most focused 4x4s.

Conditions of Participation

In agreeing today to be a passenger in and/or drive any of the vehicles made available by Porsche Cars Great Britain Limited ("Porsche") for driving demonstration purposes, whether on road or track (including the Porsche Experience Centre track operated by Porsche, and/or to drive my own vehicle on the Porsche Experience Centre track operated by Porsche and/or the Silverstone track operated by Silverstone Circuits Limited (collectively "Tracks"), I agree that:

- ✓ I hold a valid full UK Driving Licence to drive a vehicle upon public highways; OR I hold a valid full foreign Driving Licence and I am entitled to drive a vehicle upon public highways in the UK under such licence.
- ✓ I am medically fit enough to participate and I declare that my eyesight is up to the standard required of a road driving test. I am not suffering from any disability which is likely adversely to affect my ability to control a vehicle. I am not under the influence of alcohol, and have not taken any form of medication, drugs or other substance, and know of no other reason or factor, which will or may impair my driving abilities or restrict me from participating in the Porsche Driving Experience.
- ✓ I agree that I will not participate in any activities unless I have first received a drivers briefing, following which I will abstain from participating should I not agree or understand the inherent risks involved. I will follow the instructions given to me by Porsche, its employees, agents and/or contractors whilst the vehicle is in my possession.

If I have chosen to drive my own vehicle on one or more of the Tracks, I agree that:

- ✓ The vehicle (i) has a current MOT, (ii) is fully taxed, (iii) is roadworthy, (iv) has not less than the minimum tyre tread depths recommended by the tyre manufacturer, (v) has clean and crack-free windscreen and windows for excellent visibility, and (vi) has fully operational external lights.
- ✓ If required for safety or legal reasons, Porsche, its employees, agents and/or contractors have the right to reject any vehicle for participation at the Tracks, and require any vehicle to leave the Tracks and/or permanently retire from activities at the Tracks at any time, without paying me compensation.
- ✓ Classification: **Internal**
I am fully responsible for insuring the vehicle or proceeding on a self-insured basis.

Where Porsche organises insurance of the vehicles, I accept that I owe Porsche and its insurer a duty of utmost good faith which includes an obligation to let Porsche, its employees, agents and/or contractors know of anything that will or may affect the validity or continuity of Porsche's insurance policy. I promise that I have disclosed any such matter or fact already known to me (and will disclose any such matter or fact that becomes known to me). I understand that I may not be covered by Porsche's insurance if I have not disclosed such matter or fact, or if any statements or promises I make are untrue or incomplete.

I understand that Porsche will be responsible for (i) any personal injury I suffer as a result of its own negligence or the negligence of its employees, agents or contractors and also for (ii) any loss or damage (not including any purely financial or business loss, such as loss of revenue, loss of profit or loss of opportunity) I suffer that is caused by Porsche's breach of contract, or breach of legal duty of care, where such loss or damage is reasonably foreseeable. Loss or damage is "reasonably foreseeable" if, at the time Porsche and I entered into this relationship, such loss or damage was contemplated by us. I accept that Porsche will not be responsible for any other loss or damage arising from my participation in the Porsche Driving Experience, whether as a passenger or as a driver.

I accept that if, in connection with my participation in the Porsche Driving Experience, any loss or damage is suffered by Porsche, its employees, agents and/or contractors, or by any third party, as a result of my negligence or my breach of any of the above terms, then I shall be responsible for (i) all losses, damages or expenses suffered by Porsche, its employees, agents and/or contractors and (ii) if Porsche organises insurance of the vehicles, any excess on any insurance policy maintained by Porsche in respect of the vehicle liability, up to a maximum of five hundred pounds (GBP £500) if I am aged 21 years or older and have held my driving licence for more than two years or one thousand pounds (GBP £1,000) if I am aged under 21 years and/or have held by driving licence for less than two years.

These conditions are governed by the Laws of England, and I agree to submit to the jurisdiction of the English Courts.
