

Date (MM/DD/YYYY)

07 / 17 / 2020

Dear Sir, dear Madam,

Thank you for your interest in Porsche and for configuring your vehicle in the Porsche Car Configurator.

The Porsche brand is the embodiment of sporty driving. Our vehicles represent uncompromising innovation combined with the typical Porsche characteristics of technology, design, agility and safety which merge harmoniously in each model.

We trust that you were able to configure your ideal Porsche. For the way you live. For the way you drive. We invite you to take the next logical step with a test drive at your local Porsche dealer.

Additional detailed information is available at your local authorized Porsche dealership, where they will be able to provide you assistance with financing, leasing, and accessories.

You can also save your configuration or send it directly to your preferred Porsche Centre.

You will be able to find further information and locations of your local Porsche dealership at [www.porschedealer.com](http://www.porschedealer.com)

Sincerely,

Your Porsche Internet Team

- \*Requires Porsche Connect. For information on compatibility with the latest iPod® and iPhone® models, please contact your Porsche Dealer. Not available in all cities.
- \*\*The availability of Porsche Connect services is dependent on the availability of wireless network coverage which may not be available in all areas, and may be subject to eventual technology sunset or deactivation, thus nullifying services. The vehicle equipment necessary to use Porsche Connect is only available factory-installed, and cannot be retrofitted. Likewise, the vehicle equipment may not work with future mobile networks yet to be deployed. Some functions may require separate subscriptions, or data charges may apply.
- \*\*Porsche Connect includes a free subscription period of 36 months. The full range of Porsche Connect services or individual services thereof may not be available in some countries. An integrated LTE-enabled SIM card with data allowance for use of selected Porsche Connect services will be included in some countries. For use of the WiFi hotspot via the integrated, LTE-enabled SIM card, in some of these countries a data package is available to purchase from the Porsche Connect Store. For further information on free subscription periods, follow-on costs and availability of individual services in your country, please visit [www.porsche.com/connect](http://www.porsche.com/connect) or consult your authorized Porsche dealer
- \*\*\*To use the PVTS, you need to purchase the Car Security Package from the Porsche Connect Store. For further information on follow on costs and availability in your country, please visit [www.porsche.com/connect](http://www.porsche.com/connect) or consult your Porsche Dealer

**PORSCHE**
